Christmas Performance YR Reception Blue & Reception Red

Dear Parents/Carers

The children in Reception Blue & Reception Red will be performing their Nativity Play on **Tuesday 5th December 2017 at 2.15pm.**

As space is limited we ask that you bring only closest family members with a suggestion of two members per family.

Seating

The Nativity performance is a very magical time in school and the children work very hard to learn to project their voices to a large audience, which for many can be a huge learning curve. For those of you that have children under 5 we would ask that if you can arrange child-care we would ask you to do so. We do, of course, recognise that this is not always possible so you may need to seat yourself near an exit door if you think your child is going to become restless. Thank you in advance for your understanding.

Entrance

The blue double gates to the infant playground will be open at **2.10pm**. After the performance please leave the school hall and wait in the playground. When the children are changed out of their costumes we will bring children out to you.

Videos/Photographs

On this occasion we are able to allow photographs/video recordings of your child to be made during the performance; **however, we must stress that to comply with data protection regulations footage must NOT be uploaded to social media sites.** When taking photographs please ensure the flash is not on as this can be very distracting to the children.

A collection will be made for St Catherine's Hospice.

We look forward to seeing you at a very special time for the families of Reception Year pupils.

Yours sincerely

Mr K Wright
Headteacher
