## Y3 Stone Age Day - Danby

Dear Parent/Carers,

As part of our History topic we are visiting Danby Visitors Centre for a Stone Age Day. The activities are based in the grounds of the visitors' centre where children will complete a series of tasks relating to trees and woodland. Children will be divided into small tribes and use maps to explore the grounds to find their tribal tree; they will discover how the Stone Age people used trees. They will have the opportunity to build shelters out of natural materials and will be shown fire lighting techniques used in the Stone Age period.
