Y3 Stone Age Settlement Visit

Dear Parent/Carers

This term, Y3 will be learning about life in the Stone Age. We have therefore arranged for them to visit the purpose built prehistoric settlement at the award winning centre, Murton Park in York. Children are given simple period costume and taken to round-house homes on their own settlement. They experience first-hand the daily life of a small community at the dawn of history. The children will get involved in the making of early types of clay pottery, learn how our ancestors grew crops, ground grain to make flour and learned the essential skills of hunting. They will also have the opportunity to try their hands at pre-historic art and handle some original artefacts! We have also arranged for the day to be filmed and each child will receive a souvenir DVD of the visit!
