

Launch of Children's University 2018

Dear Parents,

I am pleased to inform you that we will be launching our Children's University project next week which will offer your child to explore things within and beyond their school environment. This year the project has also had the support of the Government's Opportunities Fund which will allow children to enjoy a wider experience.

We would like to offer this to all Y5 and Y6 pupils and therefore to give you more information on the project, we would like to invite you to the launch which will take place in the Upper School Hall on Monday 12th November starting at 9.10am and should finish by about 9.40am.

This is where you will find out much more about the project and what it means for your child, you will also be able to ask any question on how you might wish to help them, or what help might be available for you.

Please indicate below and return if you are able to attend the launch in order for us to arrange enough seating for everyone.

Yours sincerely,

Mr K Wright
Head Teacher
