Come and meet your local PCSO, and get some crime prevention advice!

Darker nights are drawing in, and we don't want you to become a target. Let us provide information to protect yourself and your property.

Keep an eye out for the mobile police office on **Tuesday 7th November 16.30-18.30** at **Sainsbury's Falsgrave** - and come chat to us at our crime prevention road show.
