

This week's news...

- Children across the school discussed issues related to the National Anti-Bullying Week
- Children have enjoyed dressing up in spots and stripes for Children in Need
- Children have been submitting their entries for the bucket of kindness designing competition
- Hidden Horizons visited school this week to work with Year 5 children on their topic all about Earth and Space. All the children thoroughly enjoyed their experience in the space dome

What's happening next week...

- Y3 will be spending an amazing day visiting Murton Park as part of their topic on the Stone Age. This is a hands on experience with actors where the children get to 'live' like our Stone Age ancestors for the day! The whole day is filmed and children receive a souvenir DVD of their experience!
- Animated Objects will be working with the Y4 throughout the week
- Firefighters will be bringing one of their engines to school on Tuesday morning to show to Reception children and talk about fire safety.
- Friday will be our Annual Non-Uniform Day to bring a prize for the Raffle or Tombola for the Christmas Fair the following week.
- Parents of Y6 will be coming into school to see some of the work that the children have been doing related to WW2 and watching them perform the Jitterbug!

Reminders...

- Due to the fire engine visit on Tuesday morning, please can we ask that children arrive promptly at school. The engine will be arriving around 9am and will drive onto the playground at the end of Wooler Street. As always the health and safety of our children at this busy time of day is our priority
- Please can we politely request that if you have any concerns related to your child or school procedure that you make an appointment to speak to the appropriate member of staff. There have been several incidences lately where it has been drawn to our attention that parents have used social media to express negative comments about our school and in some cases been quite abusive. We are in the process of putting together a policy for parents on the use of social media sites as part of our Internet Safety provision which you will receive shortly. We are always happy to discuss any issues which may crop up and do our very utmost to resolve them. Please don't hesitate to contact us.

And Finally...

- We are aware of some children's views about and reactions to the curry this week. We would like to assure you that there was nothing wrong with the curry. However, North Yorkshire have introduced a new recipe for it that the cooks have started this week. This involves more fresh vegetables being included in the actual curry rather than a pre-created paste. We will of course monitor how the children feel about the recipe change
- We wish you all a lovely weekend

GLAD NEWS

Issue 10

★ Highlight of the Week ★

Children become Spotty and Stripy for Children in Need!
Here is 5H !!
