## REMINDERS...

- Please could we remind all parents to be considerate when parking outside school at the start and end of the day. Pupil safety must always come first so please avoid parking on the zigzag and double yellow lines and do not double park adjacent to another car which can block the street
- Next Friday will be the last day of term. Please ensure that your child takes home all PE Kits etc by then to allow the caretaking staff to conduct their termly clean down the school during the holiday
- The number to text school on is 07520634751, we have had some issues with this new text system so please bear with us as we work to iron these out. You can text the school to inform us of absence, change of home time arrangements or to ask us a question

## AND FINALLY...

- I would like to say what a wonderful privilege it has been to see the YRs, Y1s, Y2s, & Y4s perform their Christmas Productions and Services. There have been some outstanding performances including some excellent solo songs across the year groups. Parents and carers of all those children should feel rightfully proud of their achievements.
- Thank you for bearing with us during the few days of unprecedented frost that has affected the smooth start to the morning. We have really appreciated your flexibility while we ensured that our school has been able to remain open during that time.

They always drop their needles!**
