Our school code is EDK63

The vaccination is free and recommended for young children, and will be given by a quick and simple spray up the nose

And Finally...

Miss Robins, the new Head Teacher of Graham School came to visit us on Monday morning to look at how we can continue to build bridges between the two settings; this included a tour. She expressed how impressed she was with the behaviour and attitudes of our pupils both here and also with those who have started in Year 7. The following evening, Mr Wright attended their Open Evening and was really proud to see five of our recent Year 6 leavers speak so confidently to an audience of parents and Year 6 pupils. They have started their secondary journey really well as have those who have gone to the other local secondary's.

Hope you all have a lovely weekend!
