### Reminders...

- We would like to remind you that money for school dinners in Year 3 upwards **must** be paid in advance. It needs to be sent in an envelope with your child's name on or paid via [www.parentpay.co.uk](http://www.parentpay.co.uk) Currently the school is owed a total of almost £600 in outstanding dinner money. As you can imagine, this prevents us using such a figure on things we need to prioritise. If you are having difficulties settling money, then please contact the office. Your help with this would be gratefully appreciated.
- We are consulting parents of children in the Lower School to see if we can together find a way of easing the congestion there and outside of the school particularly at the end of the day. There will be a survey on our website.

### And Finally...

- Letters should be going out today about Parent Consultations which will take place in the week before half-term.
