

## **PE and Sport Premium at Gladstone Road Primary School**

The total allocation to the Primary School for 2017/18 was £18122. The funding for 2018/19 is expected to be at a similar level.

The funding is used to support PE in a variety of ways. Specialist coaches have come into school to deliver specific programmes including

- Golf
- Multi skills
- Martial arts
- Fencing

In addition, we have a team of in-house sports coaches who assist with delivering the curriculum and who offer a wide ranging variety of extra-curricular groups and activities. The funding has enabled the school to increase provision so approximately 100 children per week attend pre-school clubs and generally over 200 children per week attend after school sports clubs.

The Curriculum follows content outlined in the PE programmes of study and children in Year 5 also take part in swimming lessons at Scarborough Indoor Pool.

### **Extra-curricular clubs include:**

Athletics	Indoor Bowling	Rugby	Cross Country
Gymnastics	Boys Football	Boys Cricket	Girls Table Tennis
Girls Football	Girls Cricket	Boys Table Tennis	Mixed Rounders
Dance	Netball	Swimming	Unihoc

We aim to get a balance between clubs which are open to anyone of any ability and those where there is some selection for a group, squad or team representing the school. Children are also able to take part in inter-class competitions. We try to involve all Key Stage 2 year groups in clubs, although in the summer term we do also offer a club to Year 2 pupils. There is generally an increase in opportunities as pupils get older and have developed their basic skills in curricular lessons.

The school encourages children to participate in sporting activities in a competitive but sportsmanlike manner.

We are part of the Scarborough Primary Sports Association. Our aim is to give children of ability the opportunity to compete at the highest level. We are pleased to report that in school year 2016/17 the Key Stage 2 pupils' achievements included:

**Rugby**

Winter Cup Winners  
Titan Cup Winners

**Athletics**

Runners-Up in the Indoor Athletics Final

**Cricket**

Kwik-Cricket Semi-Finalists  
Drax Cup Year 4 Winners  
Semi-Finalists in Hard Ball Cricket

**Football**

Semi-Finals in the Scarborough Cup

**Cross-Country**

Two pupils qualified for the North Yorkshire Final at Dalby Forest

**Table Tennis**

League Winners

Wednesday	Y34 Football AWP Y6 Boys Cricket Squad	Yr 5 Sports Club Primary Table Tennis C'hips
Thursday	Y56 Football AWP Table Tennis Squad	Y3 Sports Club Rugby Practice
Friday	<u>Yr 3/4 Football AWP</u>	

**IMPACT EVALUATION for 2016-17**

As a result of this additional funding, we were and continue to be able to:

Get about 100 more pupils to attend sports activities that they otherwise would not access.

More pupils are able to participate in out-of-school activities such as tournaments.

More opportunities for younger pupils with particular talents in sports to be selected for tournaments designed for older pupils.

We are able to access off-site field and sports venues as we do not have a school playing field or any grass area.
